
THE PROTECTION OF PERSONAL INFORMATION ACT CUSTOMER PRIVACY NOTICE

This Privacy Policy describes how your personal information is collected, used, and shared when you visit or make a purchase from www.chimericaltech.com (the "Site").

ABOUT CHIMERICAL TECHNOLOGY

Chimerical Technology's core expertise lies in metallurgical applications in the mining industry utilizing membrane systems, advanced ion exchange and complimentary technologies for reagent recovery, metals concentration and water decontamination.

Our research, development, and years of experience in uranium processing and copper-cobalt circuits give us the edge.

We have completed projects throughout Africa, Europe and Asia with continued support to clients globally.

We provide complete turn-key projects with in-house multidisciplinary teams of engineers and technicians covering a broad base of experience.

We design and build each plant using only recognized brands and reputable vendors to ensure quality and performance with the lowest life cycle cost.

PERSONAL INFORMATION WE COLLECT

When you visit the Site, we automatically collect certain information about your device, including information about your web browser, IP address, time zone, and some of the cookies that are installed on your device.

We collect and process your personal information to enable us to contact you for the purposes of understanding your needs, and delivering products or services according to what is required from you. Therefore, we collect contact details including your name, surname and email address.

We collect information directly from you where you provide us with your personal details.

Website usage information may be collected using "cookies" which allows us to collect standard internet visitor usage information.

- "Cookies" are data files that are placed on your device or computer and often include an anonymous unique identifier. For more information about cookies, and how to disable cookies, visit <http://www.allaboutcookies.org>.

HOW DO WE USE YOUR PERSONAL INFORMATION?

We use your information to the purposes of establishing a means of communication with you and do not share your personal information with any third parties. However, we may disclose your information:

- Where we have a duty or a right to disclose in terms of law or industry codes;
- Where we believe it is necessary to protect our rights.

SHARING YOUR PERSONAL INFORMATION

We share your Personal Information with third parties to help us use your Personal Information, as described above. For example, we use Google Analytics to help us understand how our customers use the Site--you can read more about how Google uses your Personal Information here:

<https://www.google.com/intl/en/policies/privacy/>. You can also opt-out of Google Analytics here:
